8:30 AM – 1:00 PM

Medical Education and Telemedicine Building, (MET)

EPIC Bootcamp is a professional development event spanning two half days and is designed for postdoctoral scholars at the beginning of their training at UC San Diego. This bootcamp is considered [essential training](#) for postdocs and will help postdocs understand their role as a postdoc and set them up for success during their training and beyond. Participation in the bootcamp is the first step in achieving a [Certificate of Training in Specialized Paths](#) in the [EPIC Postdoc Program](#).

**Registration Required:** [EPIC Bootcamp](#) (Only UC San Diego [postdoctoral scholar title codes](#) are eligible).

**Registration Fee:** \$100 payment only accepted via recharge. An index number will be required to complete your registration. Registration includes lunch both days and breakfast on Friday, [Myers-Briggs Type Indicator](#) assessment and [StrengthsFinder 2.0](#) book.

**Registration Deadline:** **January 22, 2017**

### Schedule:

At the end of Day 1, postdoctoral scholars will be able to:

- Identify their roles and responsibilities of being a UC San Diego postdoc
- Access UC San Diego resources available to them
- Communicate their research with a clear and concise message
- Recognize their implicit bias and have tools to combat that bias
- Assess their own personality type and distinguish those of others

At the end of Day 2, postdoctoral scholars will be able to:

- Explore career options through networking opportunities, such as informational interviews
- Clarify their transferrable skills
- Create and assess structured short term and long goals
- Determine a course of action for a successful postdoctoral experience
- Evaluate course of action with peers and faculty members
