

# UC San Diego

## Postdoctoral and Visiting Scholar Affairs

Thursday, July 20, 2017

11:30 AM – 6:00 PM

Friday, July 21, 2017

8:30 AM – 1:00 PM

Medical Education and Telemedicine Building, (MET)

EPIC Bootcamp is a professional development event spanning two half days and is designed for postdoctoral scholars at the beginning of their training at UC San Diego. This bootcamp is considered [essential training](#) for postdocs and will help postdocs understand their role as a postdoc and set them up for success during their training and beyond. Participation in the bootcamp is the first step in achieving a [Certificate of Training in Specialized Paths](#) in the [EPIC Postdoc Program](#).

**Registration Required:** [EPIC Bootcamp](#) (Only UC San Diego [postdoctoral scholar title codes](#) are eligible).

**Registration Fee:** \$25 payment only accepted via recharge. An index number will be required to complete your registration. Registration includes lunch both days and breakfast on Friday, [Myers-Briggs Type Indicator](#) assessment and [StrengthsFinder 2.0](#) book.

This program is supported in part by an Innovation Grant from the Office of the Vice Chancellor for Equity, Diversity, and Inclusion. Any views or opinions expressed in this program are solely those of the speaker(s) and/or organizer(s) and do not necessarily represent those of the Office of the Vice Chancellor.

**Registration Deadline: July 13, 2017**

### Learning Objectives for the postdoctoral scholars:

- Identify their roles and responsibilities of being a UC San Diego postdoc
- Access UC San Diego resources available to them
- Communicate their research with a clear and concise message
- Recognize their implicit bias and have tools to combat that bias
- Assess their own personality type and distinguish those of others
- Explore career options through networking opportunities, such as informational interviews
- Clarify their transferrable skills
- Create and assess structured short term and long goals
- Determine a course of action for a successful postdoctoral experience
- Evaluate course of action with peers and faculty members

# July 20: Who are you?\*

---
