

Chancellor's Award for Excellence in Postdoctoral Scholar Mentoring

NOMINATION SIGNATURE FORM

The Excellence in Postdoctoral Scholar Mentoring Award honors faculty who serve as effective advisors, advocates, role models, and colleagues for UC San Diego Postdoctoral Scholars. Postdoctoral scholars are individuals who have recently completed a doctoral degree and, under the oversight of a faculty mentor, continue research training in preparation for a career in academia, industry, government, or the nonprofit sector. Faculty mentors who provide guidance, support, and inspiration to research and career excellence are essential to the success of the postdoctoral scholar. This award recognizes faculty who consistently promote and actively engage in the many forms of mentorship.
