**SUMMER 2018 TEACHING OPPORTUNITIES**

**UCSD Academic Connections** is looking for enthusiastic, committed UCSD post-doc students to teach a three-week course for high achieving high school students for summer 2018. This pre-college summer academic and residential experience is targeted to motivated, college-bound high school students. The goal of this exciting program is to connect select high school students with UCSD by providing hands-on college subject matter courses. Program participation provides students with the opportunity to experience life and learning at a top-ranked research university.

Please visit our website: [www.academicconnections.ucsd.edu](http://www.academicconnections.ucsd.edu) for information on courses offered in the summer of 2017.

**PROGRAM DATES:** JULY 8 – JULY 28, 2018

**TENTATIVE CLASS SCHEDULE:** MONDAY–FRIDAY,

9:00AM-11:30AM AND 1:30PM-4:00PM

Academic Connections is currently accepting instructor applications and courses for summer 2018

This is a wonderful opportunity for post-doc students to gain additional teaching experience, have an impact on the education of college bound university students, while earning extra money this Summer.
